ROSEMONT, Ill.--June 13, 2013--[Popular Community Bank](#) <sup>[2]</sup>,\* a subsidiary of Popular, Inc. and one of the nation's premier community banks, expanded its "anywhere, anytime banking" program with the launch of its new application optimized for the iPad, available at the [Apple iTunes store](#) <sup>[3]</sup>.

"We want to extend our commitment to our clients by providing the most advanced banking options in the market, while retaining our personal-touch service"

The Popular Community Bank free iPad app compliments the bank's iPhone® and Android™ apps, Business Mobile Banking and recently enhanced Internet banking. Through the iPad app customers can:

- Scan and deposit checks
- Check balances; locate branches and ATM locations
- Transfer funds between accounts, pay bills

"We want to extend our commitment to our clients by providing the most advanced banking options in the market, while retaining our personal-touch service," said Manuel Chinea, Chief Operating Officer at Popular Community Bank. "Our customers are more mobile than ever, and they have been quick to appreciate and adopt our mobile services. We want to give customers a full range of banking options on any device they choose so access to their banking experience is as easy as possible."

With Popular Community Bank's Internet Banking customers can monitor accounts, transfer funds between their Popular accounts as well as between accounts that they own at other US financial institutions, get email and text alerts, access loan information, track spending and savings, request services, and much more.

\* Popular Community Bank is the assumed business name of Banco Popular North America.
