Banco Popular now offers *ePayroll*, a new service for the benefit of its commercial customers. The services is provided exclusively for clients registered in the My Commercial Bank (*Mi Banco Comercial*) platform.

This new service allows commercial customers to pay their payroll electronically, saving them time, money and making the process more accessible, secure and agile. This with the convenience of making payments from any computer or smart phone with internet access, at all times.

ePayroll will also helps reduce the possibility of fraud in check transactions and allows making payroll payments to employees with accounts at any financial institution in Puerto Rico and the United States. In addition, it creates an additional authentication process for greater security in transactions.

"Now more than 22,000 customers who already have access to the My Commercial Bank platform will not only be able to view balance sheets and transfers, but also payroll payments and benefit from this new service," said Miguel Páez, first vice president of Commercial Banking at Banco Popular.

The users only need to access My Commercial Bank and complete the registration process with the e-Payroll service.

The user can process fixed, variable or future payments on the dates assigned. They can also obtain information on the payroll payments generated, in the Payroll Receipts section.

For additional information, the Business Banking Center is available through 787-756-3939 or 1-855-756-3939.
